The screenshot shows the Huzzle website interface. At the top, there is a navigation bar with links for 'Job Seekers', 'Student Organisations', 'Employers', and 'Latest Blog Post'. Below the navigation bar, the Huzzle logo is on the left, followed by links for 'Find Jobs', 'Apply fast', 'Build your CV', and 'Join Societies'. To the right are 'Login' and 'Sign up' buttons. The main content area features a large section titled 'Join Societies, Find Jobs, Get Hired.' with a teal underline. Below this, a sub-section titled 'Find 17k+ entry-level jobs & events, auto-fill applications, connect with societies, and more!' is shown. A 'Find Jobs Now >' button is visible. To the right, there are three callout boxes: 'Find jobs in top companies' (with logos for Apple, Google, Facebook, and Visa), 'Optimise your CV' (with the text 'It only takes a few steps'), and 'Autofill applications' (with the text 'We've filled 17 fields for you.' and an 'Apply' button). At the bottom left, there is a 5-star rating icon and the text '140k+ applications made via Huzzle'.
